

therewith or to make an affirmative showing in duplicate and apply for a hearing. In default of any action by him within the specified time the authorizing officer will reject the proof, subject to the usual right of appeal.

(j) *Final-proof expiration notice.* (1) Where final proof is not made within the period of 4 years, or within the period for which an extension of time has been granted, the claimant will be allowed 90 days in which to submit final proof. (44 L.D. 364.)

(2) Should no action be taken within the time allowed, the entry will be canceled. The 90 days provided for in this section must not be construed as an extension of time or as relieving the claimant from the necessity of explaining why the proof was not made within the statutory period or within such extensions of that period as have been specifically granted.

(k) *Requirements where township is suspended for resurvey.* No claimant will be required to submit final proof while the township embracing his entry is under suspension for the purpose of resurvey. (40 L.D. 223.) This also applies to annual proof. In computing the time when final proof on an entry so affected will become due the period between the date of suspension and the filing in the local office of the new plat of survey will be excluded. However, if the claimant so elects, he may submit final proof on such entry notwithstanding the suspension of the township.

#### § 2521.7 Amendments.

(a) *To enlarge area of desert-land entry.* Amendment for the purpose of enlarging the area of a desert-land entry will be granted under and in the conditions and circumstances now to be stated.

(1) In any case where it is satisfactorily disclosed that entry was not made to embrace the full area which might lawfully have been included therein because of existing appropriations of all contiguous lands then appearing to be susceptible of irrigation through and by means of entryman's water supply, or of all such lands which seemed to be worthy of the expenditure requisite for that purpose, said lands having since been released from such appropriations.

(2) Where contiguous tracts have been omitted from entry because of entryman's belief, after a reasonably careful investigation, that they could not be reclaimed by means of the water supply available for use in that behalf, it having been subsequently discovered that reclamation thereof can be effectively accomplished by means of a changed plan or method of conserving or distributing such water supply.

(3) Where, at the time of entry, the entryman announced, in his declaration, his purpose to procure the cancellation, through contest or relinquishment, of an entry embracing lands contiguous to those entered by him, and thereafter to seek amendment of his entry in such manner as to embrace all or some portion of the lands so discharged from entry.

(b) *Conditions governing amendments in exercise of equitable powers; amendments involving homestead and desert-land entries of adjoining lands.* Applications for amendment presented pursuant to § 1821.6-5(a) of this chapter will not be granted, except where at least one legal subdivision of the lands originally entered is retained in the amended entry, and any such application must be submitted within 1 year next after discovery by the entryman of the existence of the conditions relied upon as entitling him to the relief he seeks, or within 1 year succeeding the date on which, by the exercise of reasonable diligence, the existence of such conditions might have been discovered: *Provided, nevertheless,* That where an applicant for amendment has made both homestead and desert land entries for contiguous lands, amendment may be granted whereby to transfer the desert-land entry, in its entirety, to the land covered by the homestead entry, and the homestead entry, in its entirety, to the land covered by the desert-land entry, or whereby to enlarge the desert-land entry in such manner as that it will include the whole or some portion of the lands embraced in the homestead entry, sufficient equitable reason for such enlargement being exhibited, and the area of the enlarged entry in no case exceeding 320 acres. Applications for such amendments may be made under §§ 1821.6-1 to 1821.6-5 of this chapter and on the prescribed

form, in so far as the same are applicable. A supplemental statement should also be furnished, if necessary, to show the facts.

(c) *Evidence of water-right to accompany application to amend desert-land entry.* Application to amend desert-land entries by the addition of a new and enlarged area or by transferring the entry to lands not originally selected for entry must be accompanied by evidence of applicant's right to the use of water sufficient for the adequate irrigation of said enlarged area or of the lands to which entry is to be transferred. Such evidence must be in the form prescribed by § 2521.2.

#### § 2521.8 Contests.

(a) Contests may be initiated by any person seeking to acquire title to or claiming an interest in the land involved against a party to any desert-land entry because of priority of claim or for any sufficient cause affecting the legality or validity of the claim not shown by the records of the Bureau of Land Management.

(b) Successful contestants will be allowed a preference right of entry for 30 days after notice of the cancellation of the contested entry, in the same manner as in homestead cases, and the authorizing officer will give the same notice and is entitled to the same fee for notice as in other cases.

#### § 2521.9 Relinquishments.

A desert-land entry may be relinquished at any time by the party owning the same. Conditional relinquishments will not be accepted.

### Subpart 2522—Extensions of Time To Make Final Proof

SOURCE: 35 FR 9587, June 13, 1970, unless otherwise noted.

#### § 2522.1 General acts authorizing extensions of time.

(a) There are five general Acts of Congress which authorize the allowance, under certain conditions, of an extension of time for the submission of final proof by a desert-land claimant. Said Acts are the following: June 27, 1906 (Sec. 5, 34 Stat. 520; 43 U.S.C. 448); March 28, 1908 (Sec. 3, 35 Stat. 52; 43

U.S.C. 333); April 30, 1912 (37 Stat. 106; 43 U.S.C. 334); March 4, 1915 (Sec. 5, 38 Stat. 1161; 43 U.S.C. 335); and February 25, 1925 (43 Stat. 982; 43 U.S.C. 336). The Act of June 27, 1906, is applicable only to entries embraced within the exterior limits of some withdrawal or irrigation project under the Reclamation Act of June 17, 1902 (32 Stat. 388).

(b) In addition to the Acts cited in this section, extensions of time for making desert-land proofs were authorized by the Acts of June 16, 1933 (48 Stat. 274; 43 U.S.C. 256a), July 26, 1935 (49 Stat. 504; 43 U.S.C. 256a), and June 16, 1937 (50 Stat. 303; 43 U.S.C. 256a). Such Acts affect only proofs becoming due on or before December 31, 1936. For that reason, the regulations which were issued thereunder have not been included in this chapter.

#### § 2522.2 Procedure on applications for extensions of time, where contest is pending.

(a) A pending contest against a desert-land entry will not prevent the allowance of an application for extension of time, where the contest affidavit does not charge facts tending to overcome the prima facie showing of right to such extension (41 L.D. 603).

(b) Consideration of an application for extension of time will not be deferred because of the pendency of a contest against the entry in question unless the contest charges be sufficient, if proven, to negative the right of the entryman to an extension of time for making final proof. If the contest charges be insufficient, the application for extension, where regular in all respects, will be allowed and the contest dismissed subject to the right of appeal, but without prejudice to the contestant's right to amend his charges.

#### § 2522.3 Act of March 28, 1908.

Under the provisions of the Act of March 28, 1908 (35 Stat. 52; 43 U.S.C. 333), the period of 4 years may be extended, in the discretion of the authorized officer, for an additional period not exceeding 3 years, if, by reason of some unavoidable delay in the construction of the irrigating works intended to convey water to the land, the entryman is unable to make proof of
